Applications for the Annual MOVE Best Paper Award 2016

The Annual MOVE Best Paper Award will be presented to a PhD candidate at the 7th Annual MOVE Research Meeting to be held on January 28th, 2016 for the best article published in the period 1st January 2015 – 31st December 2015. The award consists of a certificate and €1,000 to cover travel costs or attendance to an international scientific meeting of choice.

The applicant must submit a PDF of the article in question.

Criteria:
- First authorship (by applicant) of peer reviewed key article published during the period 1st January 2015 – 31st December 2015
- All authors must agree with the nomination
- At least two of the co-authors should be from any two of the three MOVE partner faculties (ACTA, FBM or VUmc)
- The affiliation MOVE must be mentioned by the applicant
- The candidate should preferably be present at the meeting, or alternatively be represented by a co-author from one of the MOVE partner faculties

Review:
- The jury consist of three senior MOVE members and a PhD student. The names of the jury members will be made public prior to the meeting but after the deadline and will not include any co-authors of submitted papers. The jury will review all submissions and inform the MOVE MT of its decision. The jury’s decision is final. If a parity of votes occur, the chair’s vote will count double.

Note: the jury will make their judgment based on the following principles:
- The article’s innovative and relevant contribution to its field of research
- The societal relevance of the research in the article

Please send your application to: moveoffice@vu.nl before the final deadline for application of January 3rd, 2016

* The candidate must provide the article’s exact volume, issue and page numbers OR in case of a publication in an online journal: the volume and issue number (if available) and article number. The paper can only be submitted once (print or online version).
