Inaugural Lectures MOVE

In November, two MOVE members will give their inaugural lectures. The lecture of Thomas Janssen, on November 6, is entitled 'Met vereende krachten'. Willem Lems will give his inaugural lecture, entitled 'Op weg naar sterker bot' on November 12. This lecture is preceded by the symposium 'Osteoporose en Reumatische ziekten'.

For more information, see www.move.vu.nl.

IFKB acknowledged by KNAW

The Institute for Fundamental and Clinical Human Movement Sciences (Research School of MOVE and several departments of the Radboud University Medical Center) is acknowledged by the KNAW for a period of six years.

For more information, see www.knaw.nl.

VU Support Scheme Veni, Vidi, Vici Grants
